## OUR WINE PHILOSOPHY

Predominantly SA wines with other regions only where necessary to round out our list. Most wines are tasted and sourced direct from cellar door so that we can be sure of the quality, ability to pair with our menu and so that local winemakers get more of the proceeds from their wine. We will offer a range of organic, biodynamic and sulphite free options. We'll also identify the wines we think are special or interesting, so that you can ask our opinion if you like. Some of these are just our favourites, some are unusual grape varieties and some we just don't think are typical of their varietal or blend. Be adventurous! We won't sell anything we wouldn't drink ourselves and this includes our COS house wines. You're welcome to try anything we have by the glass before you decide.

Enjoy, Jason and Carla.
